JOSIE HO DRENCHES HER DREAM HOME IN BLOOD

— PUBLISHED 1 MONTH AGO

The renowned actress and heiress slashes her way through countless victims in the gore-soaked debut from her production company

TEXT BY JOHN-PAUL PRYOR

Josie Ho is the rebel daughter of one of the wealthiest families in the world and the psycho killer star of Ho-Cheung Pang's *Dream House*, a satirical gore-soaked slasher fest that revolves around a young woman who is obsessed with purchasing one of Hong Kong's most *de rigueur* properties. When her struggle to save enough money move into the tower block of her dreams comes to nothing, she loses it *big time* and takes her anger out on its unsuspecting residents – cue pregnant women suffocating in plastic bags, entrails splattered all over the floor and naked girls choking on massive chunks of wood.

Here, the stunning, enigmatic and refreshingly down-to-earth actress (who was feted for her role as a lesbian school teacher in Yan Yan Mak's excellent *Butterfly*) tells Dazed Digital why the first film to be funded by her production company 952 Films is drenched with blood.

Dazed Digital: Is it true you pushed for *Dream House* to be as outrageously violent as possible?

Josie Ho: Yeah, and I think we can go further. It's a planet away from the usual films that get made in Hong Kong, but as a film company we strongly believe that an audience exists there for this kind of black humour, gore and insanity: the kind of thing people don't want to put in mainstream movies. There is a subliminal message in there too that people in Hong Kong just do what ever it takes to be successful, and lots of them have forgotten about moral values. I mean, affordable housing is a really serious issue but if we had made the film really dark it would be too much – we wanted to make it completely whacked.

Dazed Digital: Do you think anyone could snap the way your character does?

Josie Ho: I think for any human being it takes just one step across the border and if you cross that border it won't stop, it will just go to the extreme. It was a rollercoaster ride to play her. I suppose I like to shock people and I like to shock myself. For me, acting is really an escape from my reality. I'm a very contradictory person, and I don't like the reality I grew up in. I know I've been very fortunate and it's kind of wrong for me to say that, but I just don't enjoy that world.

Dazed Digital: Your family are *incredibly* wealthy aren't they?

Josie Ho: Yeah, my family all come from a financial real estate background. My father is actually the head of the real estate development council in Hong Kong! I was kind of a screw up in high society. I had a lot of friends in high society as a teenager because they were the only kind of people I was introduced to. They are intelligent people but they have no life – their life is basically the country club, the golf club and their yachts. I always believed there was a much bigger world than that, and I wanted to see that world. I was always into making it on my own without my family's support. It's actually a 180-degree turn around that they have supported me in this 952 Films thing.

Dazed Digital: It was an act of rebellion for you to become a performer then?

Josie Ho: It's a love/hate thing because my mother actually encouraged me to sing as a child, but when I was 18 and I wanted to apply to a performing arts school she ripped the application up and threw it in my face, saying, 'The family cannot allow you to do this – don't even dream about it!'

Dazed Digital: We heard somewhere that you believe in ghosts?

DESIGN DETAILS

DESIGN NAME:
The Architecture of the City

PRIMARY FUNCTION:
Theatre Performance

INSPIRATION:
Inspired by Aldo Rossi's The Architecture of the City, Rossi suggested that "the city is the locus of the collective memory" in which architecture carries an imprint of its citizens' lives, history and culture. This inspired director Mathias Woo to adopt the stage use of bamboo scaffolding, a commonly seen architectural element in Hong Kong. This multi-media architecture music performance transformed the "collective memory" of Hong Kong into an audio-visual experience.

UNIQUE PROPERTIES / PROJECT DESCRIPTION:
"The Architecture of the City" poses a contrast between the old and present-day Hong Kong. Through the interaction between the bamboo structure, images, music, stage and lighting, together with the use of recycled materials in costumes design, the performance creates an experience of an alternative space and a reflection on the city as an organism that keeps on changing.

OPERATION / FLOW / INTERACTION:
Besides bamboo scaffolds, director chooses to use sound and music as another key frame of the performance to interact with and bring out how Hong Kong is like. The show's main melodies consisted of the unique sounds of Hong Kong, together with live music improvisation and chanting by performers. In comparison with classical melodies, the band focused on depicting a city's noise with their music, interacted with text and the city's photos to produce a city soundscape unique to Hong Kong.

Visit the following page to learn more: <http://www.zuni.org.hk>

PROJECT DURATION AND LOCATION:

The Architecture of the City, a stage performance which was planned in early 2016 and makes the first debut at the 5th Architecture is Art Festival in 2017 at the Grand Theatre of the Hong Kong Cultural Centre and had a re-run in 2018. Upcoming appearance will be in Festival Hong Kong 2019 - A Cultural Extravaganza@Shanghai in Shanghai.

PRODUCTION / REALIZATION TECHNOLOGY:

The stage design revolves around the bamboo scaffolding, showcasing the Chinese renowned architectural technique. Whilst most modern architecture relies on sketches and plans for its construction, the bamboo scaffolders are professionally trained so that they can build an installation by knowing only its size. The bamboo structure on the stage interacted with LED lights and the projection of live audio interactive digital images, creating an experience in which the audience views an ever changing scene.

SPECIFICATIONS / TECHNICAL PROPERTIES:

Staging at the Grand Theatre of the Hong Kong Cultural Centre which can seat 1734 people, and on the stage, there was a 5m x 5m x 5m bamboo structure built on the revolve centred on wagon. The continuous changing photos, soundwaves and quotes from Aldo Rossi were projected by using Christie@Boxer 2K30, a30,000 lumen, 60Hz, 3DLP@projector.

TAGS:

stage, performance, theatre, architecture, multimedia, music, bamboo scaffold, Hong Kong experimental theatre changing, and the city remains forever the same, what remains unchanged is that the cities keep changing. A city is a place that produces memories and feelings. A city is a system built up by architecture.

RESEARCH ABSTRACT:

I walk down the streets, filled with a lot of sounds and many different smells. These memories stay in my mind even till now. A city is composed of many artifacts and components. Most of these components are architecture. These architectural structures form the experiences of our lives, and these experiences form our memories. A city is an organism that keeps on changing. Cities are continuously changing, and no city remains forever the same. What remains unchanged is that the cities keep changing. A city is a place that produces memories and feelings. A city is a system built up by architecture.

CHALLENGE:

Zuni theatre is an eternal experimentation, conducting technological experiments in the theatre. Theatre is a space constructed by technology. Theatre technology defines the possibilities of a performance. Technology and theatre are inseparable. Understanding technology allows the invention of the future of theatre. What is the future? The relationship between watching and performing in the age of cellphones. The theatre of the future, the imagination of the audience. The creation of an artist. A more proactive audience? Or, with technology, all options are but one kind of option.

第51屆西班牙錫切斯 (Sitges)奇幻電影節日前隆重開幕，今屆除了請來奧斯卡影后Tilda Swinton及影帝Nicolas Cage作嘉賓外，亞洲代表何超儀 (Josie)獲邀擔任今屆電影節的評審及頒獎嘉賓，更是唯一獲邀的華人影星。

此外，大會更於電影節期間的Hong Kong Cocktail頒發“Time Machine Award”予Josie以表揚她多年來對電影的堅持、熱愛及貢獻。其實在2010年，Josie已憑電影《維多利亞壹號》在這電影節中獲最佳女主角殊榮，可惜當時她身身在外地拍戲，未能出席，事隔八年，終於可親臨西班牙，更進階擔任評審。

電影節期間，Josie每天均要看參選電影及接受海外傳媒訪問，為此她亦準備了不同造型，無論大方得體、反叛搖滾、破格前衛或輕鬆隨意的打扮均極具個人風格。

Josie Ho Makes 2019 the Year She Takes Risks in Her Film Choices

By **VIVIENNE CHOW**

CREDIT: MIA

Josie Ho vows to master the art of calculated risk in the year 2019. As an actress and film producer, she is conscious of the choices of projects she makes: appearing in the new film by Japanese hotshot director Shinichiro Ueda, producing a new documentary feature while developing some 10 titles in the pipeline of 852Films, the company she co-founded and chairs. She wants the world to know that she dares to take risks for projects she believes in, but she is not to be taken advantage of, again.

She tells her story with new catchy rock tune "Shui Yu", released just ahead of her band Josie & the Uni Boys' April 6 concert The Classic Purple Psycho Experience. The song's title, which literally means softshell turtle, is the Cantonese slang for people who always get taken advantage of, particularly financially. "It's about me. It happens to me all the time," Ho says.

"I'm the biggest gambler, yes," says the actress-producer-singer, who, ironically is the daughter of Macau casino mogul Stanley Ho. "But I don't gamble at the casino. I want to take risks, finding new projects and concepts that work. I'm still learning to become a producer from being an actress. But I hate to admit that these risks need to be calculated risks."

Ho has produced acclaimed projects, such as slasher "Dream Home" (2010) directed by Pang Ho-cheung, which also won her best actress award at the 43rd Sitges Film Festival in Spain, and John Cameron Mitchell's "How to Talk To Girls At Parties" (2017), which she said was an odd thing to do because she "only contributed to the project economically". She wants to develop original stories and pursue projects that are independent and alternative to the mainstream, falling within a relatively small budget of HK\$8 million (\$1 million) to HK\$15 million (\$1.9 million).

"Finding Bliss: Fire and Ice", the first documentary feature film she is producing, certainly one of them. Shot last year in Iceland, the film trails Ho and her music friends' journey of finding happiness following a course inspired by French theater legend Philippe Gaulier's teaching. The film is in post-production and Ho is hoping to sell the project at **FilMart**.

Among the 10 titles Ho is developing, one is an alternative horror revolving around the Taoist rituals, which once dominated Hong Kong cinema back in the 1980s. "People in the west always ask me why we are not making films about these old Chinese rituals any more," she says, aiming to create a ghost film for a global audience.

「バドミントン題材に」夢を実現

ジョシー・ホー

バドミントンに興味を持ったのは小学校6年生のときだった。あくまで遊びとして放課後や休み時間に友達とプレーを楽しんでいたが、そのあまりののめり込みぶりに教師から「学校のバドミントンチームに入ったら」と提案され、バドミントンを本格的に始めることになった。

カナダに留学していた中高時代も部活動でさらに腕を磨き、対外試合のオーダーではいつもエースとして活躍するほどの腕前となった。「いつかバドミントンを題材にした映画に出演してみたい」という気持ちがずっとあって、監督に頼み込んで実現したのがこの映画なんです」

そう語る香港の人気女優、ジョシー・ホー(40)の肝煎りで実現した主演作「全力スマッシュ」は、バドミントンに打ち込むことで初めて人生と真実(しんし)に向き合ったチンピラたちの奮闘を描く異色のアクションコメディ。監督を務めたデレク・クオック(郭子健)は、大スター、チャウ・シンチー(周星馳、53)の監督作「西遊記 はじまりのはじまり」(2013年)では脚本も執筆した期待の新星だ。

《かつては「バドミントンの女王」ともてはやされた・カウサウ(ホー)は、極端に高いプライドと、短気な性格が災いし、試合中に暴力事件を起こし、永久追放処分を受けてしまう。以来、10年間、引きこもりのような生活が続けていたが、ある日、バドミントン同好会を結成した中年男4人組に出会う》

3カ月間みっちり練習

撮影を前に3カ月間、バドミントンコーチの指導のもと、共演者たちと一緒に猛特訓を受けた。「習い事というのは練習を継続しないと徐々にレベルが下がってしまうものなんです。私のバドミ

「台上一分鐘，台下十年功」，說到 JOSIE & THE UNI BOYS 又豈止十年功。今年憑著《章魚黑洞》拿下 AEG 音樂排行榜的「鑽石搖滾歌曲獎」，同時更是十年來首次在商台叱咤流行榜登上了冠軍的位置，絕對是打了一支「強心針」，證明他們的音樂是不容忽視的。四月將與一眾「好 ROCK 友」舉行《THE PURPLE CLASSIC PSYCHO EXPERIENCE》的音樂會，打造最盛大的搖滾派對。香港地，做音樂難，做搖滾音樂更難，要在音樂道路上忠於自我，談何容易。JOSIE & THE UNI BOYS 成軍已有十年之多，靠的絕對不單單只是努力，更是對搖滾的那份愛、那份堅持和心中的那團火。縱使沿路上會有負面的意見和挫折，但我相信他們也會抱著「一於少理」的態度，繼續盡情地釋放心中的「搖滾魂」。

Music is Bliss
Music is The Soul of Life
Music is Part of our lives We can't live without it

[illegible]

廿四味，名符其實，難以入口卻頗有佳處，拍心口會發現實中的那一點「甜」。嘻哈的音樂風格，「貼地」的歌曲和他們「壞男孩」的形象確實不大容易接受愛戴，但只要你看懂便會發現，他們的歌曲十分反映香港現時社會上的境況，令人反思；獨特的硬核和中英夾雜語言，亦能感受到樂真的真我態度，但看音樂真的無分畛域，只要喜歡自己的創作，中英夾雜，你聽又何必在乎被主流認為非主流呢？

Interview & coordination > Jawn Chan photography > vernie yeung & his team special thanks > angle

說到VERNIE YEUNG 楊耀遠導演，想必大家不會陌生，在英國CENTRAL SAINT MARTINS 還未畢業時已獲名導演RIDLEY SCOTT 邀請到其RSA製作公司，同時亦為不少名人拍攝MV如KYLIE MINOGUE、EASON CHAN、JOSIE & THE UNI BOYS，亦曾與品牌DIESEL 和I.T 等等合作，其獨特的風格與拍攝手法令人敬佩，不知VERNIE 在是次JOSIE & THE UNI BOYS 的《THE PURPLE CLASSIC PSYCHO EXPERIENCE》音樂會中又會為大家帶來甚麼驚喜呢？

TALK TO VERNIE YEUNG

FILM DIRECTOR

X:《MILK X》 V: VERNIE

X: 在JOSIE & THE UNI BOYS 新歌的《水魚》中使用了不少的特效，為甚麼會有這個視呢？

V: 特效對我來說聽起來有點高科技，實際上我並不是一個關於技術的人，反之我屬為美學、理念和結果比技術重要。我所做的大部分工作其實在五十年前也可做到，例如就《2001年：太空漫遊》天書也是於1968年製作。我不喜歡完美或有光澤的東西，我喜歡生硬和離志，我的目標是讓人們看到音樂，我喜歡美感的感覺！

X: 第一次和JOSIE 拍影片何時？是如何認識的？有甚麼有趣的事嗎？

V: 我當時在派對上或是在她的公寓裡遇到了她，她那時就像一個非常性感的女人，哈哈。有一次，她帶我到北京，帶我看了一些地下俱樂部，一位十幾歲的搖滾歌手已經知道她是誰，從那時起我就愛上了北京。

X: 今次音樂會《THE PURPLE CLASSIC PSYCHO EXPERIENCE》會如何利用特效為觀眾呈現不一樣的體驗會嗎？會有甚麼驚喜嗎？

V: 音樂會將涵蓋了一切，把搖滾歌舞表演一體化，相信將會為觀眾帶來一些值得期待的表演。

同時今次亦是一個非常難得的機會，有許多創意設計的理念都加入了表演裏，亦讓一眾有才的歌手好好發揮。

X: 和JOSIE 合作時，有甚麼不同於他地方嗎？

V: 多年來我和JOSIE 一起拍攝了許多音樂視頻，所以我們或多或少能夠互相理解，她是我見過的最有爵士風格的搖滾樂手。她亦是一個十分敬業的藝人，就像我們一起合作的舊作品，有人說尺度太大，概念和執行上都十分CRAZY，在香港是沒有人會這樣做。

X: 你會形容JOSIE 是一位怎樣的演員？

V: 一位非常有趣的喜劇女演員，那種幽默是發自心中的。

X: 如果要用JOSIE 說一句平常不會聽的話，會是甚麼？

V: 我剛跟她說了，哈。

世人眼中的 Josie (何超儀)，任性張揚、我行我素，絲毫不在意旁人的眼光，以真身身分出道，簽約過唱片公司、唱過流行音樂，卻始終沒找到想要的生活，直到遇見搖滾樂。隨後，她自己開公司，成為獨立音樂人，組樂隊、玩搖滾，即便被當成異類，也不願趨附於主流。

向搖滾致敬

每一個獨立樂隊都希望擁有一場能夠點燃全城樂迷的搖滾派對。然而，外國甚至台灣和內地已經司空見慣的獨立音樂會，在香港卻寥寥無幾，缺少官方支持，Josie 和她的樂隊 the Uni Boys 唯有靠自身的力量去創造這樣的機會。

繼去年成功舉辦《We Go Betterka Explode Into Life》音樂會後，今年四月，他們找來了獨立樂隊 LMF、廿四味、秋紅樂隊主唱 JAN，地獄搖樂隊主唱 DII、My Skin Against Your Skin 以及柏祥爾等，即將在匯星 STAR HALL 開一場全新的紫色兒童搖滾派對《The Classic Purple Psycho Experience》。這場演唱會，不只是向搖滾致敬，也是 Josie and the Uni Boys 向參與演出的這些樂

隊朋友們致敬。Josie 坦言，如果沒有他們的鼓勵，她可能沒有勇氣踏上這條路。

「有一段時間，我正處事業低谷期，內心總是焦躁不安。到 LMF band 房玩的時候，聽到他們在放一些重金搖音樂，還有搖滾和朋克，這些歌對很多人來說是嘈雜的，但神奇的是，一聽到當中的旋律，我整个人都靜了下來。我開始思考，為什麼自己不會試這類型的歌？腦海中第一次閃過這個念頭的時候，Josie 很快便自我著決了。那個時候，她還是唱片公司公式化打造出來的流行歌手，不敢有自己的風格，有人批評認為她只能「咪嚟」唱歌，恰好當年 LMF 在錄製歌曲《Crazy Children》，需要穿搖女生扮小孩演唱的聲音，大家便鼓勵 Josie 嘗試，「唱完之後，大概《陳匡榮》對我說，『誰說你不能唱？誰說你不能玩搖滾？』」

勇於嘗試，爭取到底

自那以後，Josie 不只玩音樂，更玩出了獨特的風格。她成立了自己的公司，為樂隊在世界各地尋找演出機會。Josie and the Uni Boys 2010 年成立至今，不只是在香港開演唱會，亦到過台灣、日本等地演出，更時常受邀參與內地的音樂節。

不同於一般流行樂，有 demo 和既定的規律，Josie 寫歌全部感覺。與樂隊其他成員相比，她不算通曉樂理，以前也沒有創作經驗，還記得多年前為樂隊的歌曲《天眼通》填詞，她只寫了一段，就想不到怎麼往下填。後來，她首次獨自創作歌曲 (Johnny Dapp)，便獲得了新城國語歌曲獎；由她填詞的《可憐貴》亦獲得了柏樂重老道的認可。「我很感謝隊友，還有其他樂隊的朋友，是他們教我，不要害怕嘗試，還有爭取到底，沒有什麼輸不起。」

事實上，成為獨立音樂人的十多年間，Josie 改變的，不只是心態，更多的行動上的果敢。她憶起自己簽約唱片公司的歲月，當時只懂得在家裡等公司的安排，很多時候，其他歌手已經悄悄遞交了好聽的 demo，她還一無所知。即使遇到不喜歡的工作，也不敢拒絕。現在，她是公司老闆，什麼事都親力親為。比如這次演唱會，從宣傳海報到整個舞台設計，燈光視覺效果等等，她都要一一過目，細節和地毯的顏色，都經過她精心安排。

不同於別的樂隊，the Uni Boys 的成員全部身兼多職，大家總是聚少離多，很少有時間一起練習。Josie 成為了樂隊的核心理，不知不覺擔起了「經理人」的角色。她對良莠樂隊的發覺，不能再像在唱片公司時那樣被動。她自我調侃：「我現在每天的工作，就是打電話和不同人說『早飯』」。樂隊風格獨特，本來就不是主流，她只能主動出擊，為樂隊爭取演出機會。

用聲音傳遞態度

有媒體用「東方碧玉」(Bjork)來形容 Jossie，說的不是音樂風格，而是一種態度。Jossie 自己也假認同這個說法。「如果你心裡想著很多話，卻無法說出口，那就去玩搖滾吧。它會給你一個位置，讓你站在台上去宣洩自我。」

在這個圈子裡，有很多歌手，卻不是每個人都擁有獨特的聲線。在 Jossie 看來，區分你我最大的分別在於怎麼表達自己的想法。一個歌手，只有願意把自己的心剖開，用歌聲剖白內心深處最真實的自我，才能真正打動聽眾。她的每一首歌，寫的都是自己的經歷。最近，Jossie 的歌曲《水魚》是叱咤 903 第二位。這首歌的靈感亦源自她從小到大的經歷。「我一直覺得自己很像『水魚』。聽是不懂得對他人說不，走到哪兒都是吃虧的那個。」聽她的故事，好友黃貫中為她填詞，代入她的處境，高呼「不想被你拖更遠 / 不想再做水魚」。而她，也用自己的聲音表達音樂態度，將生活中所受的委屈都注入歌曲中。

雖然《水魚》獲得好成績，早前的《章魚黑洞》更試過登上叱咤 903 第一位，成為樂隊首支冠軍歌。但是，在 Jossie 看來，她的曲風被主流接受仍有一段頗遠的距離。做演員的時候，她喜歡演奇幻電影，飾演的角色總是離走偏鋒，有殺人犯，也有恐怖份子；成為歌手，她也無法按照主流大眾的喜好，拿著麥克風在台上唱著一式一樣的歌曲。她需要吶喊，要虛張，要唱出心中所想。

「我覺得我無法回到主流，除非主流接受我。」Jossie 坦言希望有一天自己的風格能被主流接受，但她無法為此摒棄一路以來的堅持。不知不覺在娛樂圈走過高山低谷二十餘載，Jossie 獲得夠艱苦的《孤身走我路》足以詮釋她的整个人生：「我已決意踏遍長路 / 願心中拍子 / 微然舞舞永沒停步 / 不想管終點何日到」。也許多年以後，那一條孤獨的長路也會有很多人經過，傾聽她所有的吶喊和寬闊。
